Municipal Office,
Bangalore, 10th November 1894.

To,

The Chief Secretary to the
Dewan of Mysore,
Bangalore.

Sir,

The Amildar of Kolaramgola Taluk reports that the Sy. Krishnaiyar, on special duty for the settlement of confiscation for lands required and taken up for the Hesaraghatta Project, has sent him an order directing him not to assign or dark-knot any lands in 33 villages of which a list is herein enclosed for his information & his Government. Possibly the question of confiscation finally this time been settled and the above prohibition which causes loss of Revenue may no longer be needed. Even if it is deemed advisable to reserve these lands for sometime longer, I do not think there can be any harm in allowing such of the lands as may be darkhasted for to be cultivated on what is

called Agricultural tenure which gives no occupancy right to the holder. I have the honor to solicit the orders of the Government.

I have the honor to be,
Sir,
Your most obedient servant.
